

magzoidmagazine • [Segui](#)

magzoidmagazine Alessandro Piano, the contemporary Italian artist, crafts a nostalgic journey through his artwork, celebrating the innocence of 1980s childhood games. Inspired by Fluxus Art, his creations, influenced by renowned artists, resonate globally. Piano's use of resin adds depth to his exploration, capturing emotions and memories.

Born in 1979, his exhibitions internationally reflect the universal charm of his art, reminding us of the enduring connection between play and cherished memories.
